Why 3Gen?

- **Refine Growth Strategies:** We help identify the most efficient and cost-effective ways to improve anesthesia billing performance using data analytics.
- **Revenue Cycle Consistency:** Due to our ongoing monitoring of reimbursement trends, we are able to build a reimbursement model that is customized to an anesthesiology practice's needs to ensure healthy cash flows.
- **Compliance Auditing:** Our audit team consistently monitor claims throughout the anesthesia medical billing process to ensure quality and compliance are met and clean claims are submitted.
- **Enhance Financial Management:** As part of our approach to continuously improve, we continually adapt our business processes to improve efficiencies and adjust to the changing regulatory environment, to ensure our clients have a strong anesthesia billing process for maximized reimbursements.

Our team works as an extension of your organization, aligns with your culture and delivers the best results!
