Key RPM Billing *Takeaways*

1

Established patient-physician relationship.

2

Provider must document the beneficiary's consent in the record.

3

Self-reported data is not eligible. Data must be electronically collected & transmitted.

4

RPM services may be medically necessary for patients with chronic conditions and patients with acute conditions.

5

RPM can be ordered and billed only by physicians or non-physician practitioners who are eligible to bill Medicare for Evaluation and Management (E/M) services.

6

RPM requires prior authorization.
